Mr. Tone is over seventy-live years old and income call from the domated some years ngolto licknessen College the Tone school of the Boston and North Cobwellers on College the Tone school of the Boston and North Cobwellers on College the Tone school of the Monte again, called on acconstant lineas of the fath Averill, who is yet very sick. Master Frankie Blake, of Canasal, a lide of cleven years, has this winter taken care of seven horses, four, head of cattle and eighteen theory, doing the milking. He has sawed the wood to keep three fires and obessionally has taken his axe into the woods and chopied down, the trees, besides attending school most of the time for fourteen weeks, says the Skowhegan Reporter.

It Was a Glass Eyo.

The case of Beratio Averili, of Crawtord, for illegal transportation of deer,
has treated much interest this week. Mr.
Averill succeeded in induling a wimest to
testify to his favor, but the witness afterward swore that he had thatified falsely.
All the witnesses have been examined and
the case now a waits argument. Game
Warden French says that a wholesale
alsuptier of deer he carried on in Crawford every year. In apito of the law and
the effects of game wardens. It is thought
by intr. F. and others that after he had done
with the poschers for Crawford, that deer
will not suffer so much:

A box shipped by Rev. John Chammings
from Briman, Ost. 9, received in Britisford, Wednesday. The tox contained several idols, one of which measured eighteen
inchna in height, presents to the York; Institute, and accompanied by the directions
that they should be loaned to any of the
ministers of Saco and Biddeford when deaired. The box also contained, sead; jandals and other cultication and twogongs,
such as a received in Burman for assembling
the Sunday schools, one for each of, the
Baptist chutches of the two cities.

Cabinet gossip now settles upon three attempted. We do not may that your pres-ent system is absolutely fice from abases, because such a state of affairs, however names, as most likely to figure in Gen. Harrison's, official family—Mr. Blaine, Senator Alison and Mr. Wansmaker. Most of the Iddianapolis correspondents never will be attailed. What we do say

Most of the iddianapolis correspondence in sever will be attended. What we do not say welling a column of ispaced in telling the list that our present system affords our preventing public that. Mr. Waranaker came ble adequate facilities to record their politic to that city, had a talk with General Harrison and went away again, and that they could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of could be the did last fall in the photion of the did last fall in the did last fall in the did last fall in the photion of the did last fall in the did last fall Bismarck is a pretty old man now. He nust be getting into seconic childishness if the thinks he can either while or bluff this be the orse under the proposed law. Moreover it is understood below.

a thinks he can either with or blut this be the base made in the large many in the l loud at as it may disturb the slumbers of sive than the proposed system. With the Secretary Bayard.

The repeated stracks upon Mr. Bayard, ing statutes, which, we ubdertake to say, inc. in. part to ignorated and in part to nallelous partisanship, are unjustifiable, ple, there is no occasion for experimental le has acted to a candid but firm apirit. The provides th

The | Massachusetts Mogwump sheets beat the world in the role of apologists. The Republican is ready with its excuse. for the haltlog course of Secretary Bayard, apeaking of the virtuent way to which but the Now York, Revald in commenting upon the evidence of Consul General says:

Sewall fon the Samoant matter declares, that uthere has probably hever been given by an official of the Government of the United States leatimony more condemnatory of the head of the department of which he was an official."

Mr. Blaise's enemies are assessed in the Joan of Arc for our than the condemnatory of the head of the department of Beglish and burned at the stake. The enemies of Blaine have gone too are the first of the limit of men."

"They have touched the natural indignation of men."

The liquor dealers of New Jersey, have |. demanded their price of the Democratic It is a matter of poteriety that Mr. Blam members of the Legislature of that State was a most potent factor in securing the for supporting that party at the polis at the last election. They ask the repeal of the high Recase law, passed by the last week in August when he landed in Now Legislature, and they have compelled the Democratic legislature described by the last nour of the resping he Legislature, and they have competing the Livic to the rassingly of the properties (gislative caucus to vote in did not spare himself, but gave freely of Layor of it. Now, some of the Democrats his varied and transcendent in alleits to secure a trium; in for the principles and to the party in whose subsection on the repeat bill, for they the candidates of the party in whose subsections are the carry to the old systems; and cress he contributed so mouth methods will lose them the State of The The ephoes of the triumphas: fact that the liquor dealers have elected a that lighted the result of the November Legislature with which to wipe out the high license law is due to the Third Party. A charming situation this for a so called the shifting mark for all-sorie of attacks. the shiring mark for all-corps of attacks. His encicles have unwittingly dend him a

. Mr Morrow, of Chilirmia, who, is the service, as the display of their whom has chairman of the service of the had the effected eliciting numerous manificults Committee on Foreign Affairs in festations of the high regard in which, the House Committee on recent and the same to the same that his views on Samoan allels [riedds draw closer round him, but, as He says that his views on Samoan affairs are positive and have been made known through the resolution, in reduced by him luithe Ho, so last session. The status quo. at the lime the representative of the United States, Germany and England met, he says, must be restored, and this would nake necessary the replacement of King Maileted in the position from which he was so unjustly removed by the German agents and sent to the Marshall Islands. This step Mr. Mogrow insisted, must be a oreliminary to any further in gottations on

In a lecent laterview Murat Helstead, able Editor of the Cincinnati Commercidi-Gazdie, said a ... The general expecta-Cablnet appointment made from this State. This arises from the fact that it is Sunator Sherman's personal preference to continue in the Spirate. It is a very general belief among the leading Republicans that Har-rison will appoint Mr. Blaine tolthe Cabinct. It is thought by #r Blaine's Iricnul that the ordinary Mugwood observe against him that he is a very agreesive man and is medifiecome, is notitrie at all; that on the centrary be is very concillatory, and not accious to pick up more work clean he can do comfortably. There a very few re-liable Republicans who thick of anything ofte than having Mr. Blaire in the Cabinet. I den't know a prominent Republi Snow Shoes e o are a few m and the New York Munwamps, so far as I know, comprehend the whole opposition. They are like the grasshoppers, they make an immense | noise in comparison with their size and weight. I think the Republicans would regard the appointment of Mr. Blaine by Hurrison as Secretary of State as the stronges form of per-gonal assertion of his own domination in the administration that Harrison could meter. The way to have Harrison ad-ministration is to appoint Mr. Blaine Sec-retarylat State."

An Astonishing Charge. THE BANDON WING asks the Journal opolit out "what connection there is between the action of Gov. Illi and the disussion as to the necessity of a secret ballot in Maine."

eusatoh as to the necessity of a secret ballot in Maine." The Estgement contemporary, there is just this concection. It is not seriously disputed that Gov. Hill yetued the Yates-Saxtos bill last year for the real reason that it simed a heavy blow at compition practiced in connection with the ballot in New York City, the city which keave him his majority to 1886, and to which be confidently looked for his majority to 1888—sind as the result of the election proced, he did not look in value! Now, our Bangor contemporary is no dovice in Maine politics; it knows as well as the Vournai knows, ir it has good right to know! has the feme brand of ballot corruption exists in this State to-day and is justiced at our State land municipal elections, or that which State and municipal elections, or that which was protected and encouraged in New York by the veto of Gov. Dayld Bennett Hill. Does the estemmed Willo see the connec-

tion?

"How Tire Willo and other Republican papers in this State, in face of their pronounced record denunciatory of the corruption of the ballot in Maniasippl, can H. N. FJ ruption of the ballot in alianaspillean turn about and oppose legal measures for the prevention of the sine intention in the prevention of the sine intention in the puzzle of the balletenth sphrury; it is a simply inexplicible.—Bidictord Journal.

This is a most sistentialing statement. A few works also the Journal in common the common that the problems in the light state.

with other Republican papers in the Bists. was rejoicing over Mains's magnificent verdict at the polls, but Il the above means anything it means that said popular verdet was obtained by the same "brand of billot corruption" that was encouraged by Gov. Hill in New York to which was added the political "Iniquity" practiced in the South. All that is necessary to com-plete the picture is the introduction of a few night riders and shot gun slate, a singular omission in the Journal's Blood Freen P curding reference to the atrockies so

sembonly practiced in our Maine elec-tions. What antistaction som the Journal find in standering the good name of the Bints in the above reckionly silly manner? No one disputes his right, to farm; the court ballot bill, but why it is not be the at to support it is a patiental manner he a saystory. Stander, is not argument and the says of the Journal on subsultatingly my that the paper

instrance the reputation of the State wants to cause to bonor. The ballet is free in this State where every man can go to the polls, well for the candidates of bis choice, and rest assured that his ballot, will be hosestly
